

## EUROPEAN CONFERENCE

# SUSTAINABILITY TRAINING FOR TEACHERS AND TEACHING TEAMS

The conference has a composite programme that will take place over two days : **13 and 14 June 2022** at School of education **in Nantes (France)**. It will enable the different actors from the educational community (teachers, educators, researchers, students, heads of institutions, education inspectors, local and national decision makers, etc.) to share their experiences and viewpoints.

### The call for papers is centred around three lines of discussion :

- Possible curriculums for ESD training
- Difficulties ( constraints and resources) involved in ESD teacher training
- Promising practices under the microscope

**Submission deadline : 14<sup>th</sup> february 2022**
